A successful person is one who can lay a strong foundation with the bricks that others throw at him or her.

PROGRAM OBJECTIVE

The program prepares individuals seeking entry skills to begin a career in nursing as a nursing assistant.

PROGRAM OVERVIEW

The certified/Geriatric Nursing Assistant Training Program consists of 120 hours of instruction presented in two parts:

- ➤ Classroom/Theory-72 Hours of instruction in the theory and lab skills needed to develop nursing assistant skills, and
- ➤ Clinical Orientation-48 hours of clinical training in a local nursing facility, which enables the student to observe, develop, and utilized the skills learned in the classroom.

Upon successful completion of the training, the student becomes eligible for:

*Registration with the Maryland Board of Nursing as Certified Nursing Assistant (CNA)

*Sitting for the National Nurse's Aide Assessment Program (NNAAP) Examination (for students interested in nursing home employment as Geriatric Nursing Assistant, GNA)
